

Larry's writings are not for the faint-hearted and will cause you to examine and re-examine your relationship with yourself, with others, with the Church, and with God ... if you dare.

Book 6 is a Collection of Articles first written by the Author in 2016, and so reflect the events in our world in those days and times. However, his message and The Message is timeless.

Larry writes on topics including Christian Living, Leadership, Politics, Prophecy, and Society.

*I have spent 40 years of my life talking to people about Truth, and it hasn't been easy. People have a hard time with Truth. My writings are not for the faint of heart, it will ask some tough questions, and make some outlandish statements, all in the interest of keeping us Honest and Truthful. ~Larry Kutzler*
